

### **Evangelist Victoria Regina Lockhart**

Victoria Lockhart is a victor reigning from 63 One World Trade Center Tower. She is a living survivor of one of the most disastrous and heartbreaking events in our country's history, 9-11. The Lord blessed Victoria Lockhart to be a preacher, an anointed "Minister of Melody", songwriter, Bible teacher, women's ministry leader, clothing designer (JOGAVI International, Inc.), business owner (ZIGA Professional Services, LLC) and, last but not least, writer. She is currently writing books, movies and songs that the Lord will use to edify and admonish the Body of Christ. Evangelist Lockhart is the founder of Club Christ Ministries, Inc., an evangelistic outreach ministry ([www.clubchristministries.org](http://www.clubchristministries.org)). She has completed a CD entitled "In His Time." Included in this CD is an amazing recounting of her 9-11 deliverance experience entitled "Testimony." Serving as a leader in her women's ministry "Girl Talk: Queen of the Roundtable," Victoria has penned a book, under the same name, containing time tested principles for Godly women.
